SPECIALIST & GARDEN BATTERY RANGE

GS Yuasa Battery Europe

For over 30 years, GS Yuasa Battery Europe Ltd have been Europe's leading battery supplier.

Our award-winning products, service and supply lead the industry and continue to set new standards of customer care, choice and year-round availability.

A GS Yuasa company

GS Yuasa are the world's leading battery manufacturer and global leader for quality and innovation.

For over 100 years GS Yuasa has continually created advanced stored energy solutions under the philosophy of "innovation and growth", and established itself as the number one choice for vehicle and industrial batteries.

A UK manufacturer

Production began at GS Yuasa's manufacturing plant in Ebbw Vale, UK in 1981.

Manufacturing Yuasa NPL, EN, ENL and SWL battery ranges, well over 85 million batteries have been produced since the factory opened.

Quality guaranteed

GS Yuasa Battery Sales UK Ltd uses the internationally recognised quality management system ISO 9001 to provide the framework for consistent performance and reliable service.

GS Yuasa customers can be confident that we have the tools in place to ensure customer satisfaction in products, supply and service.

Original equipment manufacturer

Vehicle manufacturers demand the best, so overwhelming fit GS Yuasa as standard:

Automotive: BMW, Daihatsu, Daimler, General Motors, Honda, Infiniti, Isuzu, Land Rover, Lexus, Mazda, Mercedes-Benz, Mitsubishi, Nissan, PSA Peugeot Citroen, Subaru, Suzuki, TATA
